Candy Bar Jewelry Style: If you were buying a candy bar and you had your choice of the following...which would you choose?

Baby Ruth, Hershey's, Peppermint Patty, Snickers, or 3 Musketeers

This is what your candy bar says about your jewelry style!

BABY RUTH - Sweet, loving and cuddly. You love all warm fuzzy items. A little nutty, you tend to melt and get gushy if held too close. You have a *romantic style* of jewelry (i.e. delicate pearls, dangles, filigree and antique detail)!

HERSHEY'S - Simple and easygoing. You're pure at heart and appreciate the simple things in life. You love a great nature walk or just hanging out with friends. You have a *natural style* of jewelry (i.e. typically silver with stones, wood, or shells and never flashy).

PEPPERMINT PATTY - Fresh, smooth and reliable. Your feathers are not easily ruffled. You care about others and can be counted on in a pinch. You have a *classic style* of jewelry (i.e. chic, simple, medium in size, subtle, basic and traditional)!

3 MUSKETEERS - You are adventurous, love new ideas, a champion of under-dogs, and a slayer of dragons. When tempers flare up you whip out your saber. You have a *dramatic style* of jewelry (i.e. bold designs, size of a quarter or larger and get noticed 1st)!

SNICKER'S - Fun loving, sassy, humorous. Everyone enjoys being around you. You are a practical joker - others should be cautious in shaking hands! You have a *combination style* of jewelry (i.e. anything goes)!
