

His/Her Worksheet

Defining the roles for each partner in your Premier business is critical to a smooth running ship. Below is a list of typical Premier activities. Sit down with your partner and go over the list to decide which one of you will be responsible for each item. This is not supposed to be a rigid delegation of tasks. This is to help you and your spouse share expectations of how you will work effectively together. Often, conflicts arise simply because neither partner understands whose job it really is – if anyone's at all.
