

Pass the Gift

Begin by giving the gift to the hostess and recite this poem.

You can't keep the gift, but please no tears,
Give it to the one you've known for the longest amount
of years.

You take the gift and look around,
Give it to the one who is a new friend you have found!

Please look around with eyes discreet,
And give it to the one with the cutest shoes on their feet.

Some girls you may have just met
but some you already know
You pass it to that girl who will most likely
have her own Premier show!

Shoes and handbags she loves with a passion
And she is definitely known as the queen of fashion!

You still have a chance so have no fear
Give it to the one with the largest earring in her ear.

Now don't get cross and please don't fight
Just give it to the fifth person on your right.

We should stop now don't you agree?
The gift is yours to open and see!
