INSTRUCTIONS FOR \*PICK SIX  
\*Revised by Jerri Mason  
(Original Pick 5 from Sylvia Credle)

This is another “Guest Survey” that you can use as a Booking Activity. (I put it on cardstock.)  
Use it before Play/Pass. Have the guests Write down their name, address, etc at the bottom first, walking them through it. Tell them if they check their e-mail regularly and they’d like to be a member of your “E-mail Club” to receive specials periodically from you, to put a star beside the word e-mail.

- Then go back to the top and do these with them,
- #1. List 5 friends/family/etc who are not here tonight.
  - #2. List your favorite “party food”
  - #3. List your favorite hot and cold beverage
  - #4 List a night of the week that is least hectic for you.
  - #5 List a jewelry ensemble that you would LOVE to have.
  - #6 List what you enjoyed most about today’s show.

Now SAY: **“Ladies, now you’ve already done the hardest part of hosting your OWN SHOW!  
You’ve got a great start on your guest list.  
You know what night’s best to have your own show  
You know what you will serve  
And what ensemble you want FREE.”**

(opt) If you’re not sure where you want to do it — heah! you can always do it at my house!

**“So the rest now is EASY!!”**

**“Write the MONTH that would work for you at the top of the card, and draw a HAPPY FACE!  
Because you’re going to be so excited about all that FREE JEWELRY you’re going to receive!”**

Now, take up the cards and do PLAY/PASS (or “Deal/no Deal)
